

Jack Fulcher is Jumpin' Ship...and will be released back into the general population!

Utilities rejoice!
ALJs weep from despair!
Staff prepares for epic cubicle bonfire!

Be it hereby noted...In an effort to make sure **Jack Fulcher** follows through on his promise to retire, we have decided to have a rockin' retirement party for him, complete with cake & coffee, munchies and a "no-host" bar. With sufficient sincerity, we're likely to convince him to leave.

Location Café Maestro
555 Golden Gate Ave.

Time 3:00-6:00 PM

\$5 Suggested donation for the cake, coffee, and gift.
