Subject: CoC Ph Schedule

Although the scoping memo for the cost of capital proceeding indicates the September 24th hearing was to be used to set a schedule for Phase 2 of our proceeding, we didn't make it. We understand ALJ Galvin may try to address a schedule for phase 2 of our cost of capital proceeding at our hearings next week.

We (utilities) have put together a proposed schedule that aims for a decision around the beginning of the second quarter. Please review our proposal, and then let's see if we can come to any agreement before ALJ Galvin takes it up next week.

Thanks
