Subject: RE: Transwestern contract extension

I'm meeting with Pearlie this afternoon. I had some clarification questions that Pearlie sent to PG&E but we weren't able to meet before I departed.

Subject: Transwestern contract extension

Good morning!

We had a conversation last week with Dave and Pearlie about our interest in filing for a contract extension with Transwestern. They told us they would get back to us a week ago but that hasn't happened. We need to file the advice letter next week.

Have you heard anything? Are you even here -- perhaps this is grand canyon week?

Just trying to figure out how best to proceed.

Thanks!
Laura
