Subject: Dinner October 13th

All: Winston and Becky and Katherine and myself are all looking forward to Saturday's dinner here in San Francisco at our home at [Redacted] starting at 630pm. We think it will be a lot of fun. There will be valet parking so just drive up to our place [Redacted] and drop off your cars. Of course you can wear whatever you want, but Winston and I will not be wearing ties.

All the Best
