Subject: Re: Advice Letter 4064-E

Greetings Mr. Cherry,

I have a few quick questions regarding PG&E's AL 4064-E, would greatly appreciate if you could respond or forward my inquiry to the appropriate contact:

- What is the cost (or approximate cost) of the proposed enhancements to PowerClerk that would be necessary to implement PG&E's proposal, as modified by draft Resolution E-4534?
- What is the approximate savings to PG&E's CSI budget (or all CSI PAs' budgets, if known) of the revised 2-step process, as modified by draft Resolution E-4534?

Thanks for your time and attention,

best regards,

Valerie Kao
