**Where:** Opera Plaza--Sempra offices-Suite 2060 (2nd office on the left

Re-scheduling to 1 PM due to a scheduling conflict that Brian has found.

The purpose of the meeting is to start delineating what the CPUC will need from the other agencies that are assigned their tasks under AB 1900. The more input we give them upfront, the better. Also, we should talk about issues that will need to be resolved in the CPUC proceeding and how to go about them. Please invite others as you see fit. Thanks.

Gurbux
