**Reminder: 2013 Annual Resource Adequacy Plans and Supply Plans  
Deadline 10/31/12**

---

## Summary

The California ISO reminds load serving entities and suppliers to submit their 2013 annual resource adequacy plans and supply plans on or before October 31, 2012.

---

## Main Text

The ISO sent a market notice on October 9, 2012 with details for both resource adequacy and supply plan requirements, submission timelines and links to supporting information. According to the schedule provided in the Reliability Requirements Business Practice Manual, load serving entities and suppliers are required to submit their 2013 annual resource adequacy plans and supply plans on or before Wednesday, October 31, 2012.

A copy of the market notice is available on the ISO website at [http://www.caiso.com/Documents/ResourceAdequacySubmissionInstructions\\_Deadlines10912.htm](http://www.caiso.com/Documents/ResourceAdequacySubmissionInstructions_Deadlines10912.htm).

Please refer to this market notice for guidance on meeting the annual resource adequacy requirements.
