So it turns out the PG&E position I told you about is a Director position and not a VP. But still. I'm talking to the guy next Wednesday.

Ha! Isn't it funny the way that happens? Hope your sister is ok . . .

Yes, just give me a call when you can – 415.973.8663 is the office number.

Thanks

I am but I just told somebody to come up and talk with me about something. Could I call you after that happens? My sister also just left me a VM. Everybody is looking for me at the exact same time! I'm not usually so popular. . .

Julie

If so, could I call you for two minutes?
