The ALJ sent this wonderful message today stating that he will work on a PD and that the PHC will be off. Obviously his motion is to follow.

We are very pleased as it gives us hope of a decision by the end of the year.

Just want to keep you in the loop.

Thanks!

Yes, your honor, in PGE's opinion, you have sufficient information to prepare a proposed decision. Thank you for your grant of the schedule changes.

Subject: A.12-06-010--Joint Motion to Waive Prehearing conference etc

Dear Counsel,

I have reviewed the Joint Motion of Pacific Gas and Electric Company and the Division of Ratepayer Advocates to Waive Prehearing Conference and Evidentiary Hearings and to Submit for Decision, and I intend to grant the Joint Motion. A formal ruling will follow but I wanted to let the parties know now of my intent.

Thus, the October 22, 2012 deadline for submitting the joint prehearing conference statement, and the actual prehearing conference set for October 29, 2012, are off calendar.

Do I have everything that I need from the parties to prepare my decision on the Application?
