Subject: RE: schedule?

Hi,

I may have some time tomorrow afternoon depending on how long the settlement discussion lasts (it begins at 11:00 am). We can schedule something tentative if you like.

I assume the “freed up time” you had hoped to have today and tomorrow didn’t materialize . . . probably vanished in the mist.

At any rate, I’m still hoping we can follow up with you soon. Gen Hagan said he was going to provide me with a list of some of the things he wanted to see in a compliance plan. But even without that, I think we would benefit from discussion with you.

Let me know what might work. Wednesday won’t work this week – and not because of the Giants parade! There’s a big gas team meeting in San Ramon.

Thanks

Laura
