Good news. Thanks for the follow-through.

I don't know if you recall [Redacted] but he came to the mic as a public speaker complaining about a road we had damaged. His claim got to the right place, our claims group agreed with him, and we paid out about \$16k for repair of the road. This was instructive to me because I hadn't known how we handle these things.

If you have any questions, let me know. I've cc'd Karen Miller on this note.

Thanks!

Hi Jon. I believe that Todd's will begin road rehab today. Can you please forward a copy of the release to me as soon as possible? I'd like to be able to pay Todd's as soon as I can following completion of the job.

Thanks for the help,
