Subject: PPH notice for SmartMeter opt out phase 2

Karen –

Hi there!

We just got an email today from ALJ Yip-Kikugawa about providing notice for the public-participation hearings for the SM opt out. In it, she specifies a mailed notice. Unfortunately, we seem to be in a similar position to when this happened with the economic-development rate – we are late for sending things in the bill, so we may want to use alternate means to contact customers.

I know that you know more about this than I do, and I was wondering if you had time to chat – I am at 415 209-3654.

yours,

sid

Based on the dates of the hearings, please begin preparing your customer notices and send them to the Public Advisor's Office for review. You will only need to notice those hearings in your service territory.
