I might need to reschedule our Friday meeting. Are you and Jan coming to the PUC any other days? I skimmed your comments...looks like we have a lot to all about.
Thx

Good for you! I'll have Sally contact Amy when we have our guest list pinned down – I just realized that Jan Berman has skipped town.

Happy to meet. Miley is helping cover this while I'm part time in papa land.

Matthew –

Would you be willing to meet with us on this PD? If so, I'll try to get something set up for next week. Of course, this whole note is presuming you're back in the office. Thanks!

yours,
