Subject: Advice Letter 4028-E

Hi Meredith

I checked up on the above referenced AL. Charles Mee is the assigned analyst. He has requested more information from PG&E regarding specifics of the project and is awaiting a response and will then work with our legal folks regarding next steps. Hope this helps. I cannot give you a timeline for resolution on this.

I will get back to you regarding the other ALs we discussed in our meeting today.
Mary Jo
