Good afternoon,

I am sending this meeting invite on behalf of Larry Stoddard, whom will conduct this call. At this time we do not have an agenda but can say that we would like to work with both transmission and generation to identify any conflicts in schedules as currently understood and any other perceptions that need to be addressed. If there is anything that you would like to us to address in this call, please feel free to let us know and we will add it to the pending agenda. Thank you for your time. Have a great day!
