Thanks Erik.

So according to our discussion , we will be at PG&E between 8AM-10AM on October 15.

Could you let me know where we should meet you on the morning of the 15th ? Ed wanted to know about the PG&E staff we would be interacting with.

Once again, thanks a lot for accommodating us. We are really looking forward to this.

Regards,

Megha

How about 9-10 on Monday the 15th? It looks like the right people from our end are available at that time.

Megha,

Yes, I can help get that set up. Could you please give me a few dates that would work for you and your team? How many people do you expect on the tour?

Erik

Hi Erik,

Steve Haines mentioned that you could perhaps help us with a learning tour of your trade floor. We have a new team and we would really appreciate it.

Thanks

Hi Sharon,

We (procurement and oversight group) would be grateful if you could provide us a learning tour of your trading floor. Many of us are new and it would help us tremendously to understand the BPP process better. We would also like to understand how you schedule resources in the CAISO markets.

Thanks
