Nothing is ready for distribution, but we are going to prepare something at some point. I mentioned to Todd S that we are now thinking about having an En Banc and so we are deliberating on what to prepare for public release in advance of that En Banc. To be continued!

Molly,

At our meeting about capacity markets a couple weeks ago, you mentioned that you were preparing a memo on the Sutter issue. I don't recall what, if anything, you said about the timing of finishing that memo, but I'm wondering if it is something you plan to publish externally, or a document you could share with us when appropriate?

Best regards,

Erik
