**Subject:** RPS Closing Report

Hello [Redacted]

On August 20, 2012 PGE submitted its Provisional 20% RPS Closing Report to Energy Division, pursuant to Decision 12-06-023, "Decision Setting Compliance Rules for the Renewables Portfolio Standard Program." Energy Division staff would like to schedule a brief phone conversation to make sure that we understand the information provided in the report and to discuss next steps with the RPS compliance process.

Please let me know if you and/or the representation for PGE will have a moment to briefly discuss the Provisional 20% Closing Report on October 12, or sometime October 15-16.

Thanks,
