Subject: Jack Fulcher's replacement

Jonathon:

I hope you are doing well. We met earlier this year to discuss non-tariffed products and services. I am aware that Jack Fulcher recently retired from the Energy Division and I'm sure his departure has been a great loss of talent and knowledge for you and the Energy Division. Though his seat is not yet cold, I am curious if you have found someone to assume Jack's responsibilities? I would be interested in meeting Jack's replacement and to chat with him/her and you about where PG&E has delivered benefits to customers through offering non-tariffed products and services. I look forward to hearing from you.

Sincerely,
