Subject: Compliance Response to CPUC - PG&E's First Responder Training on Natural Gas

Dear Mr. Clanon:

In compliance with the CPUC's request and in reference to PG&E's Gas Accord V, Phase II Decision 11-07-004, regarding safety protocols and procedures, a hard copy letter containing PG&E's public safety and training efforts, on natural gas for fire departments and agencies in PG&Es service territory, will be placed in the mail today. Attached is a copy of the letter for your review.

Thank you
