Subject: B&V economic/financial assessment of Brightsource projects

Everyone,

As promised, below is the contact info for the key staff working on the B&V Brightsource analysis. Please cc me and Jason Simon on all correspondence and include us on conf calls to the extent possible. The IOU reg affairs staff (Laura Genao –SCE & Meredith Allen – PG&E) have also asked that they be cc'd on all correspondence that involves their respective utility.

Jon Pietruszkiewicz is B&V's project lead for this project and he will be reaching out to each of you over the week as the analysis progresses. I have asked him to contact me immediately if there is key info he needs and he is having trouble getting the info.

Lastly, Commissioner Sandoval and ED greatly appreciate everyone's willingness to help B&V on this last minute project.

Please don't hesitate to contact me if you have any questions.

Thanks,

Paul
