Hi Bill,

Erik Jacobson passed on your request to Meredith Allen and me for PG&E's Request Window Documents submitted to CAISO for the aforementioned projects. Attached are those documents. Please note that they are confidential and therefore have been labeled as such in the attached PDFs. Please feel free to follow up with me if you have any questions.

Best,

To Erik Jacobson, PG&E, Regulatory Relations

Hello Erik,

Would you please arrange for PG&E to send Energy Division (including the cc: list and me) the following documents via e-mail by noon on Oct. 19th, or earlier? These have been previously prepared, so I don't think this request is very much work. (Please be aware of an approximate 10 MB limit on an individual email for the CPUC's network.)

Energy Division requests PG&E's Request Window documents submitted to CAISO, for the following projects discussed at the Sept. 26 and 27, 2012 CAISO stakeholder meeting regarding the 2012-2013 Transmission Planning Process:

- 1) Greater Fresno Area Upgrade Project (presenter was Steve Metague).

2) Northern Fresno 115 kV Area Reinforcement (presenter was Isaac Read).

3) Moraga-Potrero 230 kV Line (presenter was Patrick Corrigan).

Please do not hesitate to contact me if you have any questions. Thank you!

Best regards,

Bill
