Could someone from the Kenya Delegation contact us via email or phone as we are trying to figure out the logistics for your trip this Sunday and Monday to San Francisco. This would help us enormously scheduling meetings with the Commission staff and utility. Thank you.

Colleagues,

I am in Washington DC at the NARUC Offices hosting a delegation of energy officials from Kenya. I am honored to announce that the delegation has arranged to visit :

Francisco, which would include the California Public Utilities Commission and Pacific Gas & Electric. I have copied Peter Ng'ang 'a Kaigwara , Senior Manager, Kenya Energy Regulatory Commission for further arrangements.

I appreciate all of your availabilities on relatively short notice. This is a great opportunity to advance global partnerships in energy policy.

Regards,

Timothy Alan Simon
