Subject: 1 PM Discussion: Encroachment Materials

Brigadier General Hagan, Julie,

Attached are documents for our discussion this afternoon regarding Encroachment.

Reflecting your feedback from the last meeting, this one attachment includes a new cover letter, the Compliance Plan, and a Root Cause Analysis investigation and references to supporting documents. These supporting documents (surveys, procedures, records) are voluminous in size totaling over 1500 pages. We will bring you a paper and electronic copy of these, but due to size limitations, we did not include them here.

Jane, Laura, and I look forward to meeting you this afternoon.

Thanks.

Shilpa Ramaiya
