Dear Chatterjee , Bishu.

Sorry for the delay in responding. We were still experiencing difficulties in securing tickets to San Francisco. We have now gotten our tickets and will be arriving at the Airport at 9.30am on Monday morning.

On Sunday afternoon we will be available to visit any Energy Plant if this is possible. This is for power generation, Oil or Gas just to appreciate any of your installations.

On Monday we shall be available for meetings whole day with a view to departing in the evening as we have other meetings in Texas starting Tuesday.

We thank you for your assistance.

Also we would appreciate if you could identify a 2 or 3 star hotel for us for Sunday. Let a

Colleagues,

I am in Washington DC at the NARUC Offices hosting a delegation of energy officials from honored to announce that the delegation has arranged to visit San Francisco, which would visit California Public Utilities Commission and Pacific Gas & Electric. I have copied Peter Ng' Kaigwara, Senior Manager, Kenya Energy Regulatory Commission for further arrangements.

I appreciate all of your availabilities on relatively short notice. This is a great opportunity to explore global partnerships in energy policy.
