Subject: RE: Schedule for GHG OIR on Gas Compressor Stations?

Ms. Doll,

I have A. 12-06-010, which is the PG&E Application for Recovery of Costs of Gas Compressor Station Compliance with AB 32. Is that the same as the GHG OIR on Gas Compressor Stations that you referenced above?

I just left you a voicemail. You may also have had an inquiry today from Chris Warner of PG&E – if so, I apologize.

We are trying to determine whether you can share any schedule information about the PD for this issue. As you know, we will be participating in the auction this month.

Thanks for any guidance you can provide.

Laura
