I saw that note... My (private/unofficial) guess is that he'll be able to mail something this year, but it won't be in time for the 12/20 agenda.

Alj mason told me he has 3 decisions and 2 scoping memos ahead of the gas compressor PD.

Your opinion -- does that make certain it can't happen this year? That would be my guess. If so, I think I need to start talking about plan b accounting with ED.

Thanks
