Laura,

I've been out of the office so I apologize for no response to your earlier e-mail. I'll check availability for a meeting sometime next week and let you know.

Thanks, Laura.

Just following up on this request. Is there a time next week when we could come in to talk with you? I'd bring in Gas Ops people who actually know something!

Thanks – hope you were able to get a Thanksgiving break.

Julie and Sunil

We have put together information about winter preparedness on the PG&E system for 2012-2013 and I wondered if you would be interested in a brief presentation? Like during the first week in December?

I believe we typically provide a briefing for the Energy Division, and we will reach out to them as well, but I wanted to check your interest first given the scheduling challenges.

Let me know – and have a good weekend.

Thanks

Laura
