Thanks Laura, we'll have Aaron check the schedules and let you know. If you have additional information that you would like to discuss, it would be helpful if you can send the information in advance of our discussion.

Best,

Julie Halligan

General Hagan and Julie –

Hope you both were able to enjoy Thanksgiving without too many work interruptions.

We were hoping to return after the holiday for a visit to continue our discussion with you about the encroachment compliance/implementation plan. Is there any chance to get together later this week, like Thursday or Friday?

If not, could you (or Aaron) let me know what might be available the following week?

Thanks

Laura
