We'll take it!!
Thanks again.

We will likely add a couple items to the agenda. I think Jane Yura and Mel Christopher will come.

Whew -- so glad to get this set.

Thanks Sunil.

Laura,

I'm checking to see if December 7th at 10:00 would work on our end. Would you please do the same on your end and let me know if that date and time might work for your folks.

Thanks, Laura.

Laura,

I've been out of the office so I apologize for no response to your earlier e-mail. I'll check availability for a meeting sometime next week and let you know.

Thanks, Laura.

Just following up on this request. Is there a time next week when we could come in to talk with you? I'd bring in Gas Ops people who actually know something!

Thanks – hope you were able to get a Thanksgiving break.

Julie and Sunil

We have put together information about winter preparedness on the PG&E system for 2012-2013 and I wondered if you would be interested in a brief presentation? Like during the first week in December?

I believe we typically provide a briefing for the Energy Division, and we will reach out to them as well, but I wanted to check your interest first given the scheduling challenges.

Let me know – and have a good weekend.

Thanks

Laura
