Hey! I started looking at the checks and realized that when we started the was 1 account
number for Redacted number for Redacted number for Redacted
Redactedwith one meter. Not sure when addition meters were added but Dad
continued writing Redacted on checks dated thru June of 2006 and currently we
have two additional Redacted and Redacted under Redacted
.Wellington Electric was in town to Perform Remove Analog meters and replaced with Digital
wireless remote access Smart Meters around mid 2010.Got 95% of all Checks written since
opening .Should we tell PG&E ? Thanks Stephanie! Call any time
