Oh wow. That's really good. I'm glad you can monitor this discussion!

On a more somber note, we were scheduled for the ferry tomorrow ... but weather looks icky.
I say we take a rain check.

Let me look at it first. After I review it, you can send it to the SVP Reg Affairs Organization e-mail list.

Thanks,

Dan

Dan,

Quick question - - I am scheduled for the office safety message for December. Do I send out the message to the group or does that come from you?

David – do we have people scheduled through the end of 2012? If so, would you send a list of those names to [Redacted] and me? If not, I'll make it an item for our next Safety Team meeting on Oct. 2.

Thanks,

Dan

Hey David - who is scheduled for the August safety message(s)? Thanks, and I apologize if you already sent me the list of people scheduled.

Hi Everyone,

I am coordinate the safety messages for the rest of the year. Ideally, we would send a home related safety message the 2nd week of each month and an office related safety message the 4th week of each month. There are 5 more months in the year, so that means there are 10 spots available.

Please respond to me with:

Which month you would like to be responsible for (August, September, October, November, December),

And weather you would like to do the Home, Office, or BOTH safety message.

Also, please remember to keep the safety messages short, and loaded with pizazz!! Short videos are also ok.

I'll send out a schedule once I get everyone's response.

Since Steve and Redac are already signed up for July's safety messages, they don't need to reply.

Thanks,
