It was good getting to know you, Roger. Good luck in all you do.

Paul,

I wanted you to know that I'm planning to leave PG&E at the first of the year. While this is a special place, I miss being near my family. PG&E is currently looking for my replacement, and we hope to have this completed soon.

We have been working hard to make this a better PG&E. Thanks for all your personal efforts as well.

I've really enjoyed the opportunity to get to know you. If I can ever help in any way, I hope you will call on me.

Roger
