Subject: 2012 RPS Procurement Plans - questions or meetings

IOUs,

As you are aware, yesterday the Commission approved the decision regarding the 2012 RPS Procurement Plans. The schedule in Ordering Paragraph 19 will begin once the Final Decision is mailed, which is likely to be the middle or end of next week.

Please provide one hard copy and one electronic copy (CD, USB drive, or e-mail) of your Final 2012 RPS Plan to Energy Division, which may be sent directly to me. No additional copies to Energy Division staff are needed. Also, Commission Ferron's office has specifically requested that they not be sent any hard copies of Final Plans. In preparing the Plan copy sent to me, please include a redlined version that compares the complete Final Plan version versus the most recent draft version.

If you have any questions regarding the above, the Decision, or what must be filed, I am available to meet or discuss over the phone or e-mail. I will be on unavailable, however, from 11/19 – 11/23.

Thank you,

Cheryl
