Subject: FW: Need to move today's meeting

Mr. Jacob,

Neither Paul Clanon or Frank Lindh are in the office today. We need to move the meeting you currently have scheduled at 1:00 today. I received an out of office response from Sally that she will be out until Monday and I do not know who I should contact about moving this meeting.

Good morning Sally,

Frank and Paul are both out of the office today and Frank emailed me to ask to move the meeting. Can you call me so we can get this changed.

PS – It will have to be the week of the 24th.
