Subject: RE: Kenya Delegation Visit to San Francisco Monday December 5, 2012

Phyllis,

I am writing to give you an update on my progress.

For a hotel, I recommend the Harbor Court Hotel, which is very close to the Ferry Building, is reasonably priced, and gets 3.5 stars on Hotels.com. <http://www.harborcourthotel.com/>

I have inquired with the NRG plant that Brian mentions below, but have not heard back from the plant manager. I will let you know as soon as I hear anything.

As for Monday morning, I would like to offer the delegation the following itinerary for Monday morning:

- 8:45am arrive at PG&E's general office at 77 Beale St. to get signed in and escorted. I will meet them [Redacted] in the alternative, if they are staying at the Harbor Court I could meet them at the hotel.
- 9am Presentation on the renewable portfolio standard and associated renewable procurement programs – 30 minutes
- 9:30am Tour of PG&E's energy trading floor including an overview of day-ahead and real-time scheduling – 30 minutes
- 10am Travel to PG&E's Pacific Energy Center, 851 Howard St., SF ~allow 30 minutes, light snacks provided at the Energy Center
- 10:30am Presentation on energy efficiency and sustainable practices and a tour of the Energy Center – up to 1.5hrs

Please let me know if this schedule sounds reasonable. Also, it would be great to know the head count, and if any CPUC staff would like to join.

Thanks,

Phyllis – I'll have Jason get back to you on the hotel and the power plant visit. PG&E has no power plants in the City. There is a steam facility owned by NRG that we could make inquiries to. We will plan on hosting them Monday in the morning. Jason will provide details.

Could someone from the Kenya Delegation contact us via email or phone as we are tryin the logistics for your trip this Sunday and Monday to San Francisco? This would help us scheduling meetings with the Commission staff and the utility. Thank you.

Colleagues,

I am in Washington DC at the NARUC Offices hosting a delegation of energy officials from honored to announce that the delegation has arranged to visit San Francisco, which would visit California Public Utilities Commission and Pacific Gas & Electric. I have copied Peter Ng' Kaigwara, Senior Manager, Kenya Energy Regulatory Commission for further arrangements.

I appreciate all of your availabilities on relatively short notice. This is a great opportunity to explore global partnerships in energy policy.
