Dear All,

Given the short lead time for Energy Division to prepare a report in compliance with PU Code Section 910 by February 1, 2013, we would like to set up a brief conference call to discuss the status of the data request that the Energy Division sent on November 16, 2012, and to answer any questions that you may have regarding this request. We know that not all of you will be able to participate, but we'd appreciate it if each of the IOUs could have at least one person on this call.

Thanks in advance for your assistance.
