Subject: R11-10-023 Letter regarding change of policy in counting Local RA units

Service list for R.11-10-023:

Please find attached a letter changing policy with regards Local RA credit for units that are under construction. This letter relates to both units that are counted completely by one LSE and units that are allocated to LSEs via CAM, as was done by Energy Division on October 4.

Please also find below a link to the CPUC jurisdictional list of NQC values for RA resources. Please check your RA Filing against the list to ensure that there are no units listed over their NQC.
