Looking forward to it. I have some nice wine I was bringing but I won't say no to Brian if he wants to bring some. ;-)

Hey Marzia –

You have me down for “flavor enhancements.” What is that?

Brian and Sara,

You guys are cordially invited to our day of gluttony. Brian P, Redacted, and myself decided to do a pre-thanksgiving dinner because we like food and BP and Redacted love to cook.

Please bring yourselves closer to 3ish. We are at Redacted. Please don't bring anything as we have lots of food already. See below our menu.

Marzia
