Subject: Motion for Party Status in I.12-100-013

To Service List in I.12-100-013,

Some of you received the Motion for Party Status distributed last week by The Nevada Hydro Company.

However, I noticed that the filing was rejected by many servers due to the large size (7 MB) of the service list included with our Certificate of Service. As a result, many on the service list did not receive our Motion.

We are therefore resending just the Motion for Party Status, without the COS to the entire Service List. A copy of the COS filed will be available on the PUC web site.

This should allow everyone on the service list to actually receive a copy of our Motion.

I appreciate everyone's understanding.

Thanks,

David Kates
