Dear Parties to R.12-06-013,

I am forwarding the draft deliverables prepared by the IOUs for the Residential Rate Structure Workshops December 5-6, next week. We hope you will review these draft materials in advance of the workshops and come prepared with your questions and comments. There will also be a demonstration of the draft bill impact calculator by each of the IOUs.

Thank you.

Subject: R.12-06-013 RROIR Workshop-Related Deliverables

Good morning Gabe.

As we discussed on Monday, the IOUs are providing the attached materials for parties to review prior to the workshops next week:

1. Summary document comparing the various attributes of the IOUs' Rate Design and Bill Impact Analysis models
- 2.a Package containing sample model output from PG&E's model using the inputs from the four predefined scenarios (described on Page 1 of the document)
- 2.b User reference manual for PG&E's Model
- 3.a Package containing sample model output for SCE's model using the same inputs mentioned above
- 3.b User reference manual for SCE's Model
4. User reference manual for SDG&E's Model and sample scenarios (note that the sample scenarios are embedded in the user manual)
5. Document providing an overview of the proposed market research, study objectives and methodology.

Regarding the market research effort, the IOUs were able to make some changes to the proposed schedule for the rates customer research after our Monday discussion. We would like to allow enough time for other parties to review the scope / survey and provide feedback. Thus, we are moving the survey fielding phase into January 2013. Our reconfigured timeline is as follows:

November 29th - Deliver Overview of Rates Customer Research to parties

December 6th - Use agenda time at workshop to review the scope, objectives, need and design of the customer research.

In addition, we plan to share a draft of the actual survey instrument.

December 10 through December 31st – Schedule up to 3 meetings as requested by other parties by the end of the year to solicit their input (these meetings can be scheduled when convenient for other parties).

January week 1 - Finalize survey

January week 2 - Program survey

January weeks 3 & 4 - Field survey

End of February - Results.

Let me know if you need anything further from us for next week.

Regards, CP
