Hi Julie -- is 2:30 workable? I am in a meeting that should conclude by 2 --- but want to make sure to be timely. If yes, then, I send a calendar invite to you and Bill.

Julie can you let me know of some possible times for the Friday call with Bill.

Also, we will have our final draft encroachment root cause and compliance plan ready for your and General Hagan's review on Friday. I reviewed the work in progress and it is much more clear/detailed since the version we shared a week ago.

Thx Jane

Folks-Please disregard my previous email attachments and use these-I had so many documents in file from earlier efforts that I grabbed the wrong ones to send you. My apologies!

Jane/Julie-I have attached 2 documents for your review; 1. A draft relating to the meetings purpose and 2. A list of things we need to get done. Please review in advance of our telco if you can. Jane I had originally suggested to Julie that we try to do this call about 9AM PT on Thur. the 13th. However, in the interim my Mother has developed some problems that I need to attend to so I will be flying to Houston tomorrow and will return on Thur. the 13th. If possible I would prefer if we could move the call to the 14th (Fri.) anytime that would suit the two of you. If you could collaborate and just advise me by email [Redacted] [Redacted] will call in. Also Jane if possible could you set up a telephone link for us? I know that Julie is on next week so if we can make the discussion on Fri. that would be great.

The documents are only drafts and can be changed any way we want-I just wanted to give us a place to start.

Thank you both and I look forward to the call.
