Subject: Energy Storage Workshop KEMA slides

Hello all,

Sorry for the delay in getting the materials from the December 3 & 4 energy storage workshops

posted to the CPUC web page.

The ED staff presentations and KEMA slides will soon be available at <http://www.cpuc.ca.gov/PUC/energy/electric/storage.htm>

The Use Case drafts will not be posted until they are distributed along with the forthcoming Staff Interim Report next week.

In the meantime, DNV KEMA has provided this link to its presentation.

http://websafe.kemainc.com/CPUC/CPUC_DNV_KEMA_Model_Assessment_12032012_Work

A couple of things to look for in your email in the near future:

1) We will post formal notice of the next workshop on Procurement Policy Options

It will be Monday, January 14, 2013. Agenda to be worked out, but please reserve the date.

We experienced a conflict with a major storage conference on the other dates, and this new date will allow several key parties to attend, and President Peevey to address the group via teleconference.

2) An ALJ ruling resetting comment dates for the Interim Report and January workshop (and dealing with the Sept. 7 Joint LTPP workshop) is forthcoming.

Thanks,

Arthur O'Donnell
