Re: Pacific Gas and Electric Company Request for Extension of Time  
to Comply with Decision 12-11-040 (R.11-03-006)

Dear Mr. Clanon:

Pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) request an extension of time until December 31, 2012 to comply with Commission Decision (D.) 12-11-040 regarding PG&E's Tier 1 advice filing for revised tariffs to reflect the adopted California Department of Water Resources' Power Charges.

Ordering Paragraph No. 9 of the escrutia draft of D. 12-11-040 states that "Within ten days of the effective date of this Order, Pacific Gas and Electric Company and San Diego Gas & Electric shall file Tier 1 advice letters, as provided for in General Order 96-B, with revised tariffs that reflect the adopted Power Charges. If approved, these new tariffs shall be effective beginning January 1, 2013."

The effective date of D.12-11-040 is November 29, 2012. Therefore to comply with Ordering Paragraph No. 9, PG&E must submit revised tariffs no later than December 10. (December 9 is a Sunday).

On or about December 31, 2012 PG&E will be submitting its Supplemental Filing – Annual Electric True-Up Filing to change PG&E Electric Rates on January 1, 2013. In this filing, PG&E proposes to incorporate changes to the electric rates that reflect the adopted Power Charges. These rates will become effective on January 1, 2013. However this December 31 filing is beyond the required 10 days as specified in D.12-11-040.

PG&E respectfully requests that it be allowed an extension of time to December 31, 2012 to comply with D.12-11-040. With this time extension, PG&E can efficiently incorporate the adopted Power charges in its Supplemental Filing – Annual Electric True-Up filing.

If this request is granted, PG&E will promptly transmit the Executive Director's approval to all parties to Rulemaking 11-03-006.

Thank you for your consideration of this request.

Very truly yours,

/s/
