Background

In accordance with a May, 2010 Memorandum of Understanding between the California ISO and the California Public Utilities Commission (CPUC), the CPUC in coordination with the California Energy Commission (Energy Commission) develop the renewable resource portfolios used by the California ISO in its annual Transmission Planning Process. The purpose of this workshop is to discuss proposed renewable resource portfolios for the 2013-2014 Transmission Planning Process.

The draft portfolios will be sent to the Energy Commission's energypolicy list , the CPUC's service lists for Long-term Procurement Plan (R.12-03-014) and Renewables Portfolio Standard (R.11-05-005) and the California ISO's market participants will be sent a market notice by December 12, 2012.

Public Comment

Informal oral comments will be accepted during the workshop.

Written comments should be submitted to Patrick Young (Patrick.young@cpuc.ca.gov; (415) 703-5357) by 4:00 p.m. on January, 11, 2012, with subject line: "Comments on TPP Renewable Portfolios." Please include your name and any organization name. Comments should be in a downloadable, searchable format such as Microsoft® Word (.doc) or Adobe® Acrobat® (.pdf). Additionally, written comments may be posted to the Energy Commission's or CPUC's websites. Please note that your written and oral comments, attachments, and associated contact information (e.g. your address, phone, email, etc.) become part of the viewable public record. This information may become available via Google, Yahoo, and any other search engines.
