Thank you, Laura! I am super excited to lead the team and to find better and more effective ways to add value to the agency. I am already planning for 2013 and I will be pushing my team to be an invaluable resource. In addition to seeking input internally I will be reaching out externally as well for a solid 2013 plan of action.

Congratulations! This is such a great thing – not unexpected, but thrilling to see it happen.

You will be great in this role, and the CPUC is lucky to have you.

Hope you can take a moment to celebrate.

So happy for you – and for the Commission!

Laura
