Subject: confirm please

Tom- this is to confirm the conversation that we just had. In that discussion you agreed that PG&E did not to intend to foreclose to ability to discuss modifying PSEP PD terms during negotiations while we have the requested ex parte ban. Rather, your concerns was that PG&E does not want the Commission to put its consideration of the PD on hold based on the note.

Can you confirm that this is an accurate characterization of our conversation?

Thanks.
