I remember my first day at the PUC 28 years ago, in the old Public Staff Division. I probably met you within the first few months.

Paul and Anna-Marie,

Thanks very much for your extremely quick response. My son wanted me to pass along his sincere thanks as well.

He's also very excited about his first full-time job. Although nearly 38 years have passed, I remember being excited about my first job, too. Hope you both have a great weekend.

Tom
