Damon –

Interesting. I'll look into it, I thought bugs were out. I'll get back to you soon.

yours,

Subject: FW: Red Hawk Casino using BUG for DR

Hey Sid-

Is it possible to find out which DR program this casino is participating in via Enernoc? Ed Randolph wanted me to get the story on the BUG thing. BUGs aren't specifically prohibited in our DR programs, but since it's an issue the Commission has/will be dealing with, he wanted to get some info.

Thanks

Damon
