DRA's holiday safety message – I think this one wins.

Holiday Drinking and Driving
FOR ALL YOU HOLIDAY IMBIBERS!! (THAT ME YOU)

At this time of the year, when the roadblocks with great regularity, I would like to share a personal experience with my closest friends about drinking and driving. As you well know, some of us have had to have had brushes with the authorities on occasion from an occasional social session over the year.

A couple of nights ago, I had a few beers at the watering hole, after a nice dinner and wine at home. Knowing full well I may have been slightly over the top, I did something I've never done before; I took a cab. Sure enough, I passed a police road block but because it was a cab, they waved it past.

I arrived home safely without incident, which was a surprise as I have never driven a cab before. I'm not sure where I got it or what to do with it now that I'm back in the garage.
